

Palm Beach Maritime Academy & High School

Bus Registration Form SY 18-19

Please complete both sides of this bus registration form for your child to be able to ride the school bus to and/or from school. Please use the same form for all siblings.

- Buses will have “PALM BEACH MARITIME ACADEMY” on the side.
- Please do not leave young children unattended at the bus stop.
- Students are expected to obey the driver and School Bus Riding Rules at all times. Failure to do so will result in suspension and/or loss of school bus privilege.
- Students are expected to be at bus stop 5 minutes early.
- Students are to be ready to board bus when it arrives, not waiting in car or nearby store. When the amber warning lights start flashing and bus is approaching, students should be getting ready to board, NOT after the bus has stopped.
- Drivers cannot wait at bus stops in the morning or afternoon for any other reason than loading or unloading as they will be affecting traffic.
- Please plan to be at your child’s stop early in the afternoon, to avoid them being at the stop unsupervised.
- Students are only PBMA’s responsibility on the bus, NOT at the bus stop.

Thank you,

PBMA Administration & Transportation

Student(s)

Grade
